

HAT SIZES AND HEAD MEASUREMENTS

The measurement of the head for hat sizing is taken as shown in the diagram opposite.

A tape measure is placed on the forehead and passed around the head, ensuring that the widest part of the head is included.

A female's average head is size 22 1/2 inches.

HAT SIZES AND HEAD MEASUREMENTS - Adult

	XSM	SM	M	L	XL
Cm.	50-52	53-55	56-58	59-60	61-62
